## THE GOVERNOR ORDERS PROBE

THE REPORT OF DISPENSARY INSPECTOR WILL BE EXAMINED.

### WANTS THE PEOPLE TO KNOW

**Governor Haskell Declares That Citizens Are Entitled to Full Knowledge of Facts.**

Guthrie, Ok., June 29.—The state dispensary and prohibition enforcement work, as well as the official report upon the dispensary's condition made by State Examiner and Inspector Taylor, made public last week, are to be investigated, upon request of Gov. Haskell, who issued a letter to that effect today. The communication was addressed to Geo. D. Conger, Oklahoma City, superintendent of the Anti-Saloon League; Dr. J. M. Gross of Ardmore, Rev. C. C. Stubbins of Ada and Rev. J. B. McDonald of Tulsa, as friends of prohibition who wish it success, asking them to serve as a committee and make a report for the public, as well as himself, officially. They are asked to be in Guthrie Thursday.

#### Asks for Charges.

In one of the letters the governor sent to Inspector Taylor yesterday, the executive asked for specific charges as to alleged dispensary mismanagement or alleged misapplication of its funds based upon what had been appearing, he said, in newspapers. Inspector Taylor's reply, which was brief, did not reach the executive office until today, reading that there was an official report of the dispensary in the inspector's office. Following this the governor issued his letter to Mr. Conger and others. It says:

"In a recent statement, accounts of the dispensary agency and the prohibition enforcement department by the state examiner and inspector, Hon. Charles Taylor, the public press has seen fit to construe such report as reflecting on the several officers who had connection direct or indirect therewith, namely Mr. Lozier, former superintendent; Attorney General West and State Enforcement Attorney Caldwell; also that the dispensary business and prohibition enforcement were extremely expensive to the taxpayers of the State, etc.

#### So People May Know.

"Believing that the people of the State are entitled to a better understanding of the facts than some of the press seem disposed to give their readers, and that prohibition and its methods of enforcement can best be passed upon by those who favor prohibition and wish it success, I therefore ask you above named gentlemen to assemble at the capital on next Thursday, July 1, and make such complete investigation of Mr. Taylor's report and of everything connected with the dispensary and the law enforcement work, all receipts and expenditures of money, stock and every other thing connected therewith, as will qualify you to speak with full knowledge and thereupon submit your report in writing for the information of the public in general, as well as myself officially."

Following the request of Attorney General West made yesterday, that his connection with enforcement mat-

ters be investigated by Associate Justice Williams of the Supreme Court, Gov. Haskell and State Inspector Taylor, asserting that vouchers and itemized statements were on file with the state auditor, the governor and the associate justice were in conference in the former's office this morning with Assistant Attorney General Moore representing his chief.

#### West Has Receipts.

Mr. Taylor failed to appear. No statement was made as to procedure, but Mr. Moore called at the auditor's office and secured a certified statement from Carl L. Rice, assistant auditor, to the effect that for several months there have been in his office original receipts to Charles West, Attorney General, from persons signing the same aggregating \$3,156.16. It is plain, the assistant auditor says, that the money received for was expended for services and expenses in enforcement of the prohibition law. The Auditing department did not consider the papers fixed officially or in the nature of official records, because it is the universal custom of that department to associate receipts only with vouchers for money.

It appears that under a legal opinion, money for enforcement had been drawn in lump sums, and dispensed by the official directing the enforcement. In such instances, Attorney General West says, the governor gave his approval. The amount shown in Inspector Taylor's report alleged to have been used by Attorney General West is \$3,502.92, but the discrepancy in the two sums, it is said, is due to several other checks not listed in the first given amount. Attorney Moore, Assistant Auditor Rice and Charles Alexander, deputy examiner and inspector, who made the dispensary report, will check the amounts for a balance tomorrow. In examining the Auditor's office in connection with the dispensary examination, the state inspector says that the receipts touching the Attorney General's expenditures, not being officially filed, were not taken into account.

Practically all of the amount was used for detectives and special agents' expenses and salary as shown by the receipts, which are itemized.

#### Taft and Whiskey.

Washington, D. C., June 29.—In the sweltering heat of the cabinet room, filled with expert whiskymen and lawyers, President Taft labored again today with the question "What is whisky."

"Straight whisky" representatives had their inning at the hearing today. While they agreed with Solicitor General Bowers that neutral spirits is not whisky, they directed their principal arguments against his conclusion that neutral spirits mixed with whisky may still be sold under the pure food law as whiskey. They maintained that such is imitation whiskey.

## TREASURY SECRETARY CALLS FOR FUNDS

NATIONAL DEPOSITORIES ASKED FOR \$25,000,000 IN NEAR FUTURE.

This Will Come in Two Installments and Will Wipe Out Government Deposits.

Washington, June 29.—A call on national depository banks for a return to the treasury of government funds aggregating approximately \$25,000,000 was made today by the secretary of the treasury McVeagh. Of this amount \$9,000,000 has been called for July 15 and \$16,000,000 for August 15. Balances in all active depositories are uniformly reduced to the lowest amount which the daily needs of the government will permit.

This call will practically wipe out all of the deposits of government funds in National banks subject to check by the treasury, except about \$73,000,000 which is held in active account and necessary to meet checks of government disbursing officers and \$1,000,000 which will be allowed to remain in \$17,000 lots in such of the 1,000 smaller National banks as desire to retain their designation as National bank depositories.

The working balance today is more than \$43,000,000 which will be increased by the call to approximately \$68,000,000. The low state of the government working balance made its strengthening a necessity, and thus augmented the Treasury Department will have ample funds for at least some months.

It is expected, however, that before the coming December, an additional issue of Panama bonds or the further issue of treasury receipts of indebtedness will be found necessary.

#### PROF. BRILES TO ADA.

**Prof. E. S. Monroe Succeeds Him at Muskogee.**

Charles W. Briles, for several years city superintendent of Muskogee schools left today for Ada, Okla., where he will assume his duties as president of the East Central State Normal school, and Prof. E. S. Monroe, of Franklin, Ind., his successor has taken charge of the Muskogee schools.

During Mr. Briles' tenure of office the Muskogee schools have made wonderful progress, and the outgoing superintendent has the best wishes of every good citizen of Muskogee.

"I do not leave Muskogee without some regrets," said Mr. Briles. "It is the best town in Oklahoma, and it is only because of my new place being in the nature of a promotion that I am leaving." Mr. Briles' family accompanied him.

Prof. Monroe has already imbued the Muskogee spirit and is an 18 karat booster. "As soon as I get settled I am going to buy a home here he declared. "I think the city has a great future." Prof. Monroe praised Mr. Briles' work here. "The office is in first class condition and so systematized that it makes my work easy to begin."

Prof. Monroe and his family have secured a cottage at 17 Freemont avenue.—Muskogee Times-Democrat

#### CHARLIE PARISH COMES TO ADA

**Former Roff Furniture Merchant and Generally Popular Citizen Comes to Ada and Goes With the Texas Department Store.**

Charlie Parish, favorably known citizen of a large section of country in which the city of Roff is the trade center and wherein he was known as a bustling furniture merchant and general community booster for several years has located in Ada, where he has accepted the position of manager of the furniture department of Buck Wall's Texas Department Store.

Mr. Parish through the benefit of his wit and personality and as well engaging enthusiasm in the promotion of the success of the business of the Texas store will probably duplicate the success with which he handled the furniture business at Roff.

#### NATIONAL PRISON CONGRESS.

**Miss Barnard Is Asked to Name Representatives From Oklahoma.**

Guthrie, June 29.—Miss Kate Barnard, commissioner of charities and corrections, has been requested by the executive committee of the international prison congress to name several of our most representative citizens to be members of the general committee of the national congress which meets in Washington, D. C. in 1910. She was also notified that she had been appointed as a member of the general committee and that she would be the only woman represented on the committee. Miss Barnard has named the following to serve with her on the committee; Dr. J. Grant Evans, president of the state university; Hon. Chas. West, attorney general; Hon. J. P. Connors, president board of agriculture; Hon. Lee Cruce, president board of university regents; Hon. Roy Stafford, editor of the Oklahoman; Hon. Frank M. Colville, of Mustang, senator from the 11th senatorial district; Hon. W. N. Redwine of McAlester, senator from the 25th district; Prof. Jerome Dowd of Norman; Dr. J. H. Stolper of Krebs; Dr. J. W. Duke of Guthrie; Hon. E. D. Cameron, state superintendent of public instruction; Hon. S. C. Heyman of Oklahoma City.

#### Chandler's Leon Ling.

Chandler, June 29.—Complete descriptions of Leon Ling, the New York Chinaman wanted for the murder of Elsie Eigel, were received today by Sheriff Lou Martin of this city and tallies well with the young Chinaman being held here as a suspect.

The weight, height, build, age and general appearance fits the description of the prisoner and Sheriff Martin is firm in his belief that he has the proper man. The pictures sent to New York have not yet been heard from, but if nothing is heard Wednesday from them, they will be traced. No picture has been furnished the press by the sheriff and he stated last night that if any has appeared of his prisoner they are fakes.

The young man here refuses to talk and holds to his original statement that he will be released when word is received from New York.

#### W. C. T. U. Meeting.

The W. C. T. U. will meet Thursday at 4 o'clock in the first Methodist church. All members are earnestly requested to be present, for there are encouraging items of interest for this meeting.

PRESS SUPT.

#### TALK CONFEDERATION

**Lawton Invites Fifty Neighboring Towns.**

Secretary L. P. Arnold of the Lawton chamber of commerce has issued invitations for representatives of more than fifty cities and towns in southwestern Oklahoma to meet in Lawton Wednesday, July 14. The invitation announces that the Lawton chamber of commerce will entertain the delegates.

The purpose of the call is to organize a district federation of commercial and industrial organizations of southwestern Oklahoma, through the efforts of which a southwestern publicity bureau can be maintained to advertise the district comprised in the federation, and a united effort can be put forth for inducing new railroads and new industries of all kinds to enter the cities represented.

This action is in line with a decision reached as to the needs of such an association after a conference between representatives of several southwestern Oklahoma cities held in Mangum at the time of the meeting of commercial clubs of northwest Texas and southwestern Oklahoma.

It is felt that the interests of southwestern Oklahoma cities are closely allied and would be greatly augmented along all industrial lines were a federation organized. A number of cities included in the new district have already signified their willingness to join. The district proposed comprises the counties of Grady, Stephens, Jefferson, Comanche, Caddo, Washita, Kiowa, Tillman, Jackson, Harmon, Greer, Beckham, and the south half of Roger Mills, all of the district, with the single exception of Caddo county being in the western half of the fifth congressional district.

#### After Soft Drinks.

Muskogee, Okla., June 29.—The moral element of Muskogee has attacked the sale of alleged soft drinks, which are in reality beer, or used as a blind for the real article. They have started a crusade among property owners to prevent the issuance of a city license to operate such places.

A number of owners of buildings have agreed to hold up rentals to persons for the alleged soft drink people. The city officials are also closing in on these places, declaring them a nuisance wherever possible.

#### For Counterfeiting.

Linton Stevens, colored, was arrested yesterday for passing counterfeit money. He was arraigned before Justice Brown this morning and committed to jail. His trial will come up Friday.

#### RELIEF IN SIGHT.

**Weather Bureau Promises Relief from Excessive Heat of Past Week.**

Washington, D. C., June 29.—According to the weather bureau, relief from the intense heat that has prevailed over the country for the past week, is in sight.

It is announced that it will be cooler in the middle Atlantic states tonight and Wednesday and a general change to cooler is in progress in the northeastern states, the lake region and the northwest, but in the middle west and the southwest, the temperature continues high.

#### In Police Court.

Nickel Billy, who was brought in from Holdenville by Chief Culver last evening, was tried in police court this morning for his misbehavior in black bottom Sunday afternoon and was fined \$23.25. Not having the funds to pay the fine he was placed in the city jail and will be required to work out the amount of the fine on the streets.

### JEFF DAVIS OPENS BATTERIES.

### Arkansas Senator Puts on War Paint and Goes After Aldrich and Followers.

Washington, D. C., June 29.—That  
the "iniquitous" tariff bill and all of  
its enormous burdens is being im-  
posed on the American people by  
Senator Aldrich, who represents the  
will of but 11 per cent of the people  
of the little state of Rhode Island,  
is the opinion of Senator Jeff Davis  
of Arkansas.

Davis put on his war paint last  
Saturday, took a hitch in his trou-  
sers and proceeded to read one of  
the greatest lambastings of Senator  
Aldrich, that gentleman has receiv-  
ed since congress started in to re-  
vise the tariff—upward.

The Arkansas senator poured a few  
shots into Senators Aldrich, Smoot,  
Beveridge, Scott and others, which

were more torrid than the day itself.  
The Hon. Jeff must have had his  
thoughts on the people in the hills  
of his native state for he dwelt much  
on "fiddles" calico dresses, breakfast  
bacon and pinecon floors.

Senator Davis trained his guns,  
not only on the tariff but the trusts,  
pools, combinations, corporations and  
malefactors of great wealth.

In the course of his remarks he  
declared that the majority of white  
voters in the United States were dem-  
ocrats and that if it were not for the  
negroes controlling the balance of  
power in states like Indiana, that  
this country would be basking in the  
benign benefits of free trade and de-  
mocracy.

He paid a glowing tribute to W.  
J. Bryan but said he hoped the  
Nebraskan would not insist on com-  
ing to the senate where he would  
be bound and gaged by the Aldrichs,  
the Smoots, the Fries and where he  
would have to submit to the relent-  
less republican majority.

Senator Hale of Maine endeavored  
to side-track Davis at the com-  
mencement of his address but the  
Arkansas man refused to take the  
siding and went full tilt down the  
main line.

### NOTICE GIVEN OF APPEAL.

### Holding of Secretary of State In- volves Expressed Desire to Get Vote by People on Election Law.

Guthrie, Ok., June 29.—Secretary of  
State Cross sustained the protest of  
local democrats against the referen-  
dum petition of the republican state  
committee upon the Taylor election  
law, enacted by the last legislature.  
Secretary Cross held that no proper  
petition had been legally presented  
to him. Judge John H. Burford, re-  
presenting the republican state com-  
mittee, gave notice of appeal to the  
supreme court. Under the law such

matters will have precedence with  
the court over any other.

The secretary held it was essen-  
tial to the validity of filing the peti-  
tions that one of the petitions with  
the governor should appear in his  
office and present the petition for  
filing, and when this was done, and  
the other requirements performed, it  
was then the duty of the secretary to  
accept the petitions and take such  
other steps as directed by the Mur-  
ray initiative and referendum act.

The republican committee asserts  
that it filed 28,000 names on May 28,  
and 3,000 additional on June 10, and  
that it holds receipts from the secre-  
tary of state showing a filing to have  
been made.

Secretary Cross also gave it as  
his opinion that the Taylor elec-  
tion law carried into effect the initia-  
tive and referendum provisions of the  
constitution, hence was effective when  
approved by the governor.

The Democrats were represented by  
Joe Wisby of Guthrie, J. F. Curran  
of Enid and J. B. A. Robinson of  
Chandler.

### First National Route Upward.

The First National Bank of Ada  
in common with many leading banks  
throughout Oklahoma during this mid-  
summer season continues to grow in  
deposits. The published statement of  
the condition of the First National in  
this paper tells the truthful story of  
a prosperous institution. There is a  
deposit of around \$173,000 and a cash  
in hand and sight of around \$70,000.  
Each succeeding call statement shows  
the route taken by the bank of  
which Mr. M. D. Timberlake is cashier  
and the same is uniformly upward.

### FORT SILL CONTRACTS.

Contracts Were Let for Fifty-Four  
New Buildings.

Fort Sill, Okla., June 29.—Contracts  
was signed this afternoon between  
Major Frank B. Cheatham, quar-  
termaster from Washington and W. W.  
Luyster of the firm of Luyster &  
Lowe, Dayton, Ohio, for the construc-  
tion of fifty-four new buildings at  
Fort Sill at a cost of \$750,000. The  
plumbing contract was awarded the  
Newport Company, of Newport News,  
for \$47,000; the heating contract goes  
to Evans Elmirall Co., Chicago, \$100,-  
000.

A power house, to cost \$100,000,  
will be contracted for, making the  
total expenditure \$1,000,000. It was  
believed that \$650,000 was all that  
was available for Ft. Sill, but Major  
Cheatham announced today that with  
funds appropriated for other posts  
not needed, which could be transfer-  
red, \$1,500,000 is available for im-  
mediate use.

Work will begin in thirty days  
and the new buildings will be con-  
structed three-fourths of a mile west  
of the old post. A park way and  
boulevard will connect the two posts  
and later a third station will be con-  
structed further west. Ft. Sill will be  
made a brigade or division post, the  
largest inland post in the United  
States.

**Bankers to Stonewall.**  
Five prominent Pontotoc county business citizens, the leader of whom was Charlie H. Rives, experienced banker, all of whom are substantially interested in the First State Bank of Stonewall, went to such little city this morning for the purpose of holding the regular annual meeting of the institution which they control. Mr. Rives' bank associates who went with him were Judge U. G. Winn, T. B. Liner, W. N. Guest and Sol Arthur.

### District Court Adjourns.

District court adjourned this morning and Judge A. T. West returned to his home at Coalgate. He will take the bench there tomorrow and Judge Rainey will return here and resume court. The civil docket is being disposed of rapidly.

### Ada National Always Good.

The old Ada National bank when the comptroller of the currency called for a statement of condition of business on the 23d inst. came forward in the same old good way as has always been its custom throughout the several years of its substantial operation.

This bank's published statement shows that amount of cash in bank vaults and sight deposits from the people and all round condition that evidences much responsibility.

**Tried for Fighting.**  
Joe Landers and E. R. Robinson were arraigned in the city court yesterday for fighting. Landers was fined \$9.75. Robinson was a stranger in the town, claiming his residence at Roff. It seemed that he had been engaged in peddling counterfeit jewelry and for passing a ring on Landers he brought on the difficulty. The judge ordered the police to hold him in the calaboose till the Frisco train went south last evening, place him on the train and compel his departure from the city. The judge's orders were carried out.

### Methodists Will Celebrate.

There will be at the First Methodist church on next Sunday night a genuine Fourth of July celebration. The Layman's Club of the church has arranged an attractive patriotic program upon which will appear the names of some of the best speakers of this part of the state. Hon. D. H. Linebaugh of Atoka and Hon. E. W. Emmanuel of Sulphur will each have addresses on interesting subjects. It will pay you to take part in a real celebration such as this will be. A special musical program will be a feature of the exercises.

### BIG CONTRACT TO LET.

Details of Structure for Addition to the McAlester Penitentiary.

The state board of public affairs is expected to award the \$300,000 contract for the penitentiary building and wall at McAlester to Layton & Smith, Oklahoma City architects. This concern has prepared plans, which were submitted and practically accepted by the board of prison control before the board of affairs took charge of the penitentiary, and the last board has been negotiating for some time with for the purchase of the plans as made.

Both the wall and building as planned at McAlester will be interesting both as structures and as showing the extreme care necessary in handling a large number of convicts.

The wall will enclose a square over 600 feet to the side, making the stockade nearly 2500 feet around. The wall will be an average 19 feet high of reinforced concrete faced with granite. At every 24 feet will stand huge concrete piers, 4 feet square and 20 feet high. They will be slotted on the sides with 10x10 inch slots, to receive the edges of slabs of concrete two feet thick, 24 feet high and 24 feet long. These slabs of concrete made over a net of 5-8 inch Bessemer steel rods crossing each other every 12 inches, will form the wall, the piers being the connecting links.

Within the wall will stand the "administration building," whose outside wall will be the wall of the stockade also; further towards the center of the stockade and with one side joining the "administration" building will stand the "rotunda," a huge and massive circular and radiating from the rotunda like so many spokes of a wagon with run rows of cells, all being so arranged that the door of every cell of the 1,200 convicts can be commanded by one rifleman stationed in the hublike rotunda.

### Splendid School Man.

Prof. J. O. McMinn well known throughout this section of Oklahoma and reputed to be an educator, especially through public school capacity, of distinct ability is in Ada. It is thought that he may become identified with educational affairs in Ada to responsible extent. The News hopes so.

# SPECIAL ORDERS OF THE CORPORATION COMMISSION

(Continued from Saturday)

minimum ten cents for each company carrying.

**Uncancelled Vouchers:**

N—Packages containing uncanceled drafts, or checks, charge currency rate on the declared value.

**Pawn Tickets:**

O—Agents should require parties presenting pawn tickets for redemption of goods to state the value. A memorandum of the value should be attached to the ticket and the value also stated on receipt given for same. The amount necessary for the redemption of the goods, together with the pawn ticket and memorandum of value should be inclosed in a sealed envelope with total of money and memorandum marked thereon addressed to the agent of the company where articles or goods were pledged, and shall be charged for at currency rates prepaid. Tickets from one shipper to be presented to different pawn brokers at same destination for redemption of goods shall be inclosed in the same envelope. The goods when redeemed are subject on return to regular rates on each lot redeemed and in addition to a charge to cover expense of packing, or handling, of not more than twenty-five cents in each case.

P—Rates for paid C. O. D.'s, will be found in Table No. 3.

Q—Rates for Currency will be found in Table No. 7.

R—Rates for Silver Coin will be found in Table No. 5.

S—Rates for Gold Coin will be found in Table No. 6.

**Valuation in Excess of Fifty Dollars:**

Where shipments of merchandise are valued at more than fifty dollars or where this rule is referred to in Classification, the following additional charges will be assessed:

When Rate shown in Table No. 1 does not exceed \$1.00 per 100 pounds, add five cents for each additional \$100.00 or fraction thereof in excess of fifty dollars valuation.

When rate shown in Table No. 1 exceeds \$1.00 per 100 pounds, add ten cents for each \$100.00 additional valuation or fraction thereof in excess of fifty dollars valuation.

**Shipments Requiring Ice:**

Shipments, which for their preservation, require that they be packed in ice, and are so packed, shall be charged for at 25 percent less than the gross weight of shipment at time of forwarding.

**Rating Shipments:**

Where two or more rates are shown opposite an article in the Classification it shall be understood that the lower of the two rates shall be applied.

**Shipping Instructions:**

All Express offices shall remain open and receive shipments during regular business hours, and where offices are located at depots, shipments shall be received up to within thirty minutes of the leaving time of the train on which same are to be shipped; and where offices are located at other places than depots, shipments shall be received up to and within one hour of leaving time of the trains for which they are intended.

**Forwarding Shipments:**

All shipments shall be forwarded on the first available train after receipt of same by the Express Companies.

**Notifying Consignees; and Delivering Shipments:**

Consignees shall be furnished written notice of arrival of all shipments within eight hours after the next 7:00 a. m. after the arrival of shipments, except that on perishable shipments, consignee shall be immediately notified of their arrival, and if within delivery limits, delivery shall be made immediately. Provided, that where shipments are destined within delivery limits of an office where free delivery service is in effect, no notice need be given of arrival of shipments when same are delivered in the time specified above for notices.

**Lower Rates to Remain in Effect:**

All rates that were in effect in the State of Oklahoma on June 1st, 1909, that are lower than rates made by the application of this Tariff shall remain in effect until December 31st, 1909.

**One Express Company Operating Over Two Railways:**

The terms "ONE EXPRESS COMPANY" or "A SINGLE EXPRESS COMPANY" and similar terms as used in this Classification and Tariff mean either of the Express Companies mentioned in Rule One of this Order. Rates provided herein for application on shipments transported by "One Express Company" shall apply via continuous short line mileage via one or more lines of railroad where one or more express companies, which are either directly or indirectly under the same management or control, operate over such lines of railroad.

**Joint Rates:**

Where two or more express companies named in Rule 1 did, on June 1, 1909, make joint or through rates graduating but once, or made joint or through rates on any basis other than the application of their regular charges to and from interchange or transfer points, they shall, under the application of this Order, make through or joint rates by adding the rates per 100 pounds or \$1,000, as the case may be, to and from junction points and deducting therefrom twenty per cent and the result shall be the rate per 100 pounds or \$1,000. To ascertain the rates on shipments weighing less than 100 pounds, Rated Table 1, or amounts of less than \$1,000, Rated Tables 5, 6, 7, or 8, find the rate per 100 pounds or \$1,000 as described above and if the sum thus obtained is a figure used by the Commission as the rate per 100 pounds or \$1,000 for similar class of shipment, then the graduate charge shall be found under that column, but if the rate per 100 pounds or \$1,000 is not a figure used by the Commission as a single line rate for similar class of shipments, then the same shall be graduated under the next highest figure used by the Commission as the rate per 100 pounds or \$1,000 for single line haul of a similar class of shipment. Provided, that no shipment of less than 100 pounds or \$1,000 shall be charged a greater sum than the charge applicable on a shipment of 100 pounds or \$1,000 under similar conditions. Rates made under Three and Four to be observed as maximum.

Example: Shipments of 100 pounds and 40 pounds moving thirty miles via one line and fifty miles via another. Rated under Table 1.

Thirty mile rate, 40 cents; Fifty mile rate, 50 cents; Through, 90 cents, less 20 per cent, 18 cents, rate via two lines per 100 pounds, 72 cents.

72 cents not being used by the Commission as the rate per 100 pounds in Table 1, next higher rate, 85 cents is used and forty pound shipment under 85 cent column is found to be fifty cents or the charge on a forty pound package. The Single Line Rates and charges as provided in this Order shall be observed as a minimum in computing joint rates and charges under this Rule on similar shipments. (This Rule not to apply where rates were made, simply to meet competition)

**Through Way Bills:**

All shipments shall be through way billed from point of origin to destination and shall show through what junction, interchange, or transfer point they are billed.

**Reports to Commission:**

All Express Companies named in Rule No. 1 shall, within thirty days after the effectiveness of this Order, file with this Commission a statement showing rates held in effect by the application of Rule No. 20 of this Order, and those companies, which, by the application of Rule No. 22 of this Order are required to use a particular system of joint rates shall file a statement within the same period, showing between what points such system will be

## THE GOVERNOR ORDERS PROBE

THE REPORT OF DISPENSARY INSPECTOR WILL BE EXAMINED. WANTS THE PEOPLE TO KNOW

Governor Haskell Declares That Citizens Are Entitled to Full Knowledge of Facts.

Guthrie, Ok., June 29.—The state dispensary and prohibition enforcement work, as well as the official report upon the dispensary's condition made by State Examiner and Inspector Taylor, made public last week, are to be investigated, upon request of Gov. Haskell, who issued a letter to that effect today. The communication was addressed to Geo. D. Conger, Oklahoma City, superintendent of the Anti-Saloon League; Dr. J. M. Gross of Ardmore, Rev. C. C. Stubbins of Ada and Rev. J. B. McDonald of Tulsa, as friends of prohibition who wish it success, asking them to serve as a committee and make a report for the public, as well as himself, officially. They are asked to be in Guthrie Thursday.

**Asks for Charges.**  
In one of the letters the governor sent to Inspector Taylor yesterday, the executive asked for specific charges as to alleged dispensary mismanagement or alleged misapplication of its funds based upon what had been appearing, he said, in newspapers. Inspector Taylor's reply, which was brief, did not reach the executive office until today, reading that there was an official report of the dispensary in the inspector's office. Following this the governor issued his letter to Mr. Conger and others. It says:

"In a recent statement, accounts of the dispensary agency and the prohibition enforcement department by the state examiner and inspector, Hon. Charles Taylor, the public press has seen fit to construe such report as reflecting on the several officers who had connection direct or indirect therewith, namely Mr. Lozier, former superintendent; Attorney General West and State Enforcement Attorney Caldwell; also that the dispensary business and prohibition enforcement were extremely expensive to the taxpayers of the State, etc.

**So People May Know.**  
"Believing that the people of the State are entitled to a better understanding of the facts than some of the press seem disposed to give their readers, and that prohibition and its methods of enforcement can best be passed upon by those who favor prohibition and wish it success, I therefore ask you above named gentlemen to assemble at the capital on next Thursday, July 1, and make such complete investigation of Mr. Taylor's report and of everything connected with the dispensary and the law enforcement work, all receipts and expenditures of money, stock and every other thing connected therewith, as will qualify you to speak with full knowledge and thereupon submit your report in writing for the information of the public in general, as well as myself officially."  
Following the request of Attorney General West made yesterday, that his connection with enforcement mat-

ters be investigated by Associate Justice Williams of the Supreme Court, Gov. Haskell and State Inspector Taylor, asserting that vouchers and itemized statements were on file with the state auditor, the governor and the associate justice were in conference in the former's office this morning with Assistant Attorney General Moore representing his chief. **West Has Receipts.**  
Mr. Taylor failed to appear. No statement was made as to procedure, but Mr. Moore called at the auditor's office and secured a certified statement from Carl L. Rice, assistant auditor, to the effect that for several months there have been in his office original receipts to Charles West, Attorney General, from persons signing the same aggregating \$3,156.16. It is plain, the assistant auditor says, that the money received for was expended for services and expenses in enforcement of the prohibition law. The auditing department did not consider the papers filed officially or in the nature of official records, because it is the universal custom of that department to associate receipts only with vouchers for money.

It appears that under a legal opinion, money for enforcement had been drawn in lump sums, and dispensed by the official directing the enforcement. In such instances, Attorney General West says, the governor gave his approval. The amount shown in Inspector Taylor's report alleged to have been used by Attorney General West is \$3,502.92, but the discrepancy in the two sums, it is said, is due to several other checks not listed in the first given amount. Attorney Moore, Assistant Auditor Rice and Charles Alexander, deputy examiner and inspector, who made the dispensary report, will check the amounts for a balance tomorrow. In examining the Auditor's office in connection with the dispensary examination, the state inspector says that the receipts touching the Attorney General's expenditures, not being officially filed, were not taken into account.

Practically all of the amount was used for detectives and special agents' expenses and salary as shown by the receipts, which are itemized.

Taft and Whiskey.

Washington, D. C., June 29.—In the sweltering heat of the cabinet room, filled with expert whiskeys and lawyers, President Taft labored again today with the question "What is whisky?"

"Straight whisky" representatives had their inning at the hearing today. While they agreed with Solicitor General Bowers that neutral spirits is not whisky, they directed their principal arguments against his conclusion that neutral spirits mixed with whisky may still be sold under the pure food law as whisky. They maintained that such is imitation whisky.

## TREASURY SECRETARY CALLS FOR FUNDS

NATIONAL DEPOSITORIES ASKED FOR \$25,000,000 IN NEAR FUTURE.

This Will Come in Two Installments and Will Wipe Out Government Deposits.

Washington, June 29.—A call on national depository banks for a return to the treasury of government funds aggregating approximately \$25,000,000 was made today by the secretary of the treasury McVeagh. Of this amount \$9,000,000 has been called for July 15 and \$16,000,000 for August 15. Balances in all active depositories are uniformly reduced to the lowest amount which the daily needs of the government will permit.

This call will practically wipe out all of the deposits of government funds in National banks subject to check by the treasury, except about \$73,000,000 which is held in active account and necessary to meet checks of government disbursing officers and \$1,000,000 which will be allowed to remain in \$17,000 lots in such of the 1,000 smaller National banks as desire to retain their designation as National bank depositories.

The working balance today is more than \$43,000,000 which will be increased by the call to approximately \$66,000,000. The low state of the government working balance made its strengthening a necessity, and thus augmented the Treasury Department will have ample funds for at least some months.

It is expected, however, that before the coming December, an additional issue of Panama bonds or the further issue of treasury receipts of indebtedness will be found necessary.

## PROF. BRILES TO ADA.

Prof. E. S. Monroe Succeeds Him at Muskogee.

Charles W. Briles, for several years city superintendent of Muskogee schools left today for Ada, Okla., where he will assume his duties as president of the East Central State Normal school, and Prof. E. S. Monroe, of Franklin, Ind., his successor has taken charge of the Muskogee schools.

During Mr. Briles' tenure of office the Muskogee schools have made wonderful progress, and the outgoing superintendent has the best wishes of every good citizen of Muskogee.

"I do not leave Muskogee without some regrets," said Mr. Briles. "It is the best town in Oklahoma, and it is only because of my new place being in the nature of a promotion that I am leaving." Mr. Briles' family accompanied him.

Prof. Monroe has already imbibed the Muskogee spirit and is an 18 karat booster. "As soon as I get settled I am going to buy a home here he declared. "I think the city has a great future." Prof. Monroe praised Mr. Briles' work here. "The office is in first class condition and so systematized that it makes my work easy to begin."

Prof. Monroe and his family have secured a cottage at 17 Fremont avenue.—Muskogee Times-Democrat

## CHARLIE PARISH COMES TO ADA

Former Roff Furniture Merchant and Generally Popular Citizen Comes to Ada and Goes With the Texas Department Store.

Charlie Parish, favorably known citizen of a large section of country in which the city of Roff is the trade center and wherein he was known as a rustling furniture merchant and general community booster for several years has located in Ada, where he has accepted the position of manager of the furniture department of Buck Wall's Texas Department Store.

Mr. Parish through the benefit of his wit and personality and as well engaging enthusiasm in the promotion of the success of the business of the Texas store will probably duplicate the success with which he handled the furniture business at Roff.

## NATIONAL PRISON CONGRESS.

Miss Barnard Is Asked to Name Representatives From Oklahoma.

Guthrie, June 29.—Miss Kate Barnard, commissioner of charities and corrections, has been requested by the executive committee of the international prison congress to name several of our most representative citizens to be members of the general committee of the national congress which meets in Washington, D. C. in 1910. She was also notified that she had been appointed as a member of the general committee and that she would be the only woman represented on the committee. Miss Barnard has named the following to serve with her on the committee: Dr. J. Grant Evans, president of the state university; Hon. Chas. West, attorney general; Hon. J. P. Connors, president board of agriculture; Hon. Lee Chace, president board of university regents; Hon. Roy Stafford, editor of the Oklahoman; Hon. Frank M. Colville, of Mustang, senator from the 11th senatorial district; Hon. W. N. Reavine of McAlester, senator from the 25th district; Prof. Jerome Dowd of Norman; Dr. J. H. Stolper of Krebs; Dr. J. W. Duke of Guthrie; Hon. E. D. Cameron, state superintendent of public instruction; Hon. S. C. Heyman of Oklahoma City.

## Chandler's Leon Ling.

Chandler, June 29.—Complete descriptions of Leon Ling, the New York Chinaman wanted for the murder of Elsie Elgel, were received today by Sheriff Lou Martin of this city and tallies well with the young Chinaman being held here as a suspect.

The weight, height, build, age and general appearance fits the description of the prisoner and Sheriff Martin is firm in his belief that he has the proper man. The pictures sent to New York have not yet been heard from, but if nothing is heard Wednesday from them, they will be traced. No picture has been furnished the press by the sheriff and he stated last night that if any has appeared of his prisoner they are fakes. The young man here refuses to talk and holds to his original statement that he will be released when word is received from New York.

## TALK CONFEDERATION

Lawton Invites Fifty Neighboring Towns.

Secretary L. P. Arnold of the Lawton chamber of commerce has issued invitations for representatives of more than fifty cities and towns in southwestern Oklahoma to meet in Lawton Wednesday, July 14. The invitation announces that the Lawton chamber of commerce will entertain the delegates.

The purpose of the call is to organize a district federation of commercial and industrial organizations of southwestern Oklahoma, through the efforts of which a southwestern publicity bureau can be maintained to advertise the district comprised in the federation, and a united effort can be put forth for inducing new railroads and new industries of all kinds to enter the cities represented.

This action is in line with a decision reached as to the needs of such an association after a conference between representatives of several southwestern Oklahoma cities held in Mangum at the time of the meeting of commercial clubs of northwest Texas and southwestern Oklahoma.

It is felt that the interests of southwestern Oklahoma cities are closely allied and would be greatly augmented along all industrial lines were a federation organized. A number of cities included in the new district have already signified their willingness to join. The district proposed comprises the counties of Grady, Stephens, Jefferson, Comanche, Caddo, Washita, Kiowa, Tillman, Jackson, Harmon, Greer, Beckham, and the south half of Roger Mills, all of the district, with the single exception of Caddo county being in the western half of the fifth congressional district.

## After Soft Drinks.

Muskogee, Okla., June 29.—The moral element of Muskogee has attacked the sale of alleged soft drinks, which are in reality beer, or used as a blind for the real article. They have started a crusade among property owners to prevent the issuance of a city license to operate such places.

A number of owners of buildings have agreed to hold up rentals to persons for the alleged soft drink people. The city officials are also closing in on these places, declaring them a nuisance wherever possible.

## For Counterfeiting.

Linton Stevens, colored, was arrested yesterday for passing counterfeit money. He was arraigned before Justice Brown this morning and committed to jail. His trial will come up Friday.

## RELIEF IN SIGHT

Weather Bureau Promises Relief from Excessive Heat of Past Week.

Washington, D. C., June 29.—According to the weather bureau, relief from the intense heat that has prevailed over the country for the past week, is in sight.

It is announced that it will be cooler in the middle Atlantic states tonight and Wednesday and a general change to cooler is in progress in the northeastern states, the lake region and the northwest, but in the middle west and the southwest, the temperature continues high.

## In Police Court.

Nickel Billy, who was brought in from Holdenville by Chief Culver last evening, was tried in police court this morning for his misbehavior in black bottom Sunday afternoon and was fined \$23.25. Not having the funds to pay the fine he was placed in the city jail and will be required to work out the amount of the fine on the streets.

#### JEFF DAVIS OPENS BATTERIES.

Arkansas Senator Puts on War Paint  
and Goes After Aldrich and  
Followers.

Washington, D. C., June 29.—That  
the "unlucky" tariff bill and all of  
its enormous burdens is being im-  
posed on the American people by  
Senator Aldrich, who represents the  
will of but 11 per cent of the people  
of the little state of Rhode Island,  
is the opinion of Senator Jeff Davis  
of Arkansas.

Davis put on his war paint last  
Saturday, took a hitch in his trou-  
sers and proceeded to read one of  
the greatest lambastings of Senator  
Aldrich, that gentleman has received  
since congress started in to re-  
vise the tariff—upward.

The Arkansas senator poured a few  
shots into Senators Aldrich, Smoot,  
Beveridge, Scott and others, which

were more terrific than the day itself.  
The Hon. Jeff must have had his  
thoughts on the people in the halls  
of his native state for he dwelt much  
on "fiddles" calico dresses, breakfast  
bacon and pincheon floors.  
Senator Davis trained his guns,  
not only on the tariff but the trusts,  
pools, combinations, corporations and  
malefactors of great wealth.  
In the course of his remarks he  
declared that the majority of white  
voters in the United States were dem-  
ocrats and that if it were not for the  
negroes controlling the balance of  
power in states like Indiana, that  
this country would be basking in the  
benign benefits of free trade and de-  
mocracy.

He paid a glowing tribute to W.  
J. Bryan but said he hoped the  
Nebraskan would not insist on com-  
ing to the senate where he would  
be bound and gaged by the Aldrichs,  
the Smoots, the Fries and where he  
would have to submit to the relent-  
less republican majority.

Senator Hale of Maine endeavored  
to side-track Davis at the com-  
mencement of his address but the  
Arkansas man refused to take the  
siding and went full tilt down the  
main line.

#### NOTICE GIVEN OF APPEAL.

Holding of Secretary of State In-  
volves Expressed Desire to Get  
Vote by People on Election  
Law.

Guthrie, Ok., June 29.—Secretary of  
State Cross sustained the protest of  
local democrats against the referen-  
dum petition of the republican state  
committee upon the Taylor election  
law, enacted by the last legislature.  
Secretary Cross held that no proper  
petition had been legally presented  
to him Judge John H. Barford, rep-  
resenting the republican state com-  
mittee, gave notice of appeal to the  
supreme court Under the law such

matters will have precedence with  
the court over any other.  
The secretary held it was essen-  
tial to the validity of filing the peti-  
tions that one of the petitions with  
the governor should appear in his  
office and present the petition for  
filing, and when this was done, and  
the other requirements performed, it  
was then the duty of the secretary  
to accept the petitions and take such  
other steps as directed by the Mur-  
ray initiative and referendum act.  
The republican committee asserts  
that it filed 28,000 names on May 28,  
and 3,000 additional on June 10, and  
that it holds receipts from the sec-  
retary of state showing a filing to have  
been made.

Secretary Cross also gave it as  
his opinion that the Taylor elec-  
tion law carried into effect the initia-  
tive and referendum provisions of the  
constitution, hence was effective when  
approved by the governor.

The Democrats were represented by  
Joe Wisby of Guthrie, J. F. Curran  
of Enid and J. B. A. Robinson of  
Chandler.

#### First National Route Upward.

The First National Bank of Ada  
in common with many leading banks  
throughout Oklahoma during this mid-  
summer season continues to grow in  
deposits. The published statement of  
the condition of the First National in  
this paper tells the truthful story of  
a prosperous institution. There is a  
deposit of around \$173,000 and a cash  
in hand and sight of around \$70,000.  
Each succeeding call statement shows  
the route taken by the bank of which  
Mr M. D. Timberlake is cashier  
and the same is uniformly upward.

#### FORT SILL CONTRACTS.

Contracts Were Let for Fifty-Four  
New Buildings.

Fort Sill, Okla., June 29.—Contracts  
was signed this afternoon between  
Major Frank B. Cheatham, quar-  
termaster from Washington and W. W.  
Luyster of the firm of Luyster &  
Lowe, Dayton, Ohio, for the construc-  
tion of fifty-four new buildings at  
Fort Sill at a cost of \$750,000. The  
plumbing contract was awarded the  
Newport Company, of Newport News,  
for \$47,000; the heating contract goes  
to Evans Elimral Co., Chicago, \$100,-  
000.

A power house, to cost \$100,000,  
will be contracted for, making the  
total expenditure \$1,000,000. It was  
believed that \$650,000 was all that  
was available for Ft. Sill, but Major  
Cheatham announced today that with  
funds appropriated for other posts  
not needed, which could be transfer-  
red, \$1,500,000 as available for im-  
mediate use.

Work will begin in thirty days  
and the new buildings will be con-  
structed three-fourths of a mile west  
of the old post. A park way and  
boulevard will connect the two posts  
and later a third station will be con-  
structed further west. Ft. Sill will be  
made a brigade or division post, the  
largest inland post in the United  
States.

## THE GOVERNOR ORDERS PROBE

THE REPORT OF DISPENSARY IN-  
SPECTOR WILL BE EXAMINED.

### WANTS THE PEOPLE TO KNOW

Governor Haskell Declares That Cit-  
izens Are Entitled to Full  
Knowledge of Facts.

Guthrie, Ok., June 29.—The state  
dispensary and prohibition enforce-  
ment work, as well as the official re-  
port upon the dispensary's condition  
made by State Examiner and Inspec-  
tor Taylor, made public last week,  
are to be investigated, upon request  
of Gov. Haskell, who issued a letter  
to that effect today. The communi-  
cation was addressed to Geo. D. Cong-  
er, Oklahoma City, superintendent of  
the Anti-Saloon League; Dr. J. M.  
Gross of Ardmore, Rev. C. C. Stub-  
bfield of Ada and Rev. J. B. Mc-  
Donald of Tulsa, as friends of probi-  
tution who wish it success, asking  
them to serve as a committee and  
make a report for the public, as well  
as himself, officially. They are asked  
to be in Guthrie Thursday.

### Asks for Charges.

In one of the letters the governor  
sent to Inspector Taylor yesterday,  
the executive asked for specific  
charges as to alleged dispensary mis-  
management or alleged misapplication  
of its funds based upon what had  
been appearing, he said, in newspa-  
pers. Inspector Taylor's reply, which  
was brief, did not reach the execu-  
tive office until today, reading that  
there was an official report of the  
dispensary in the inspector's office.  
Following this the governor issued  
his letter to Mr. Conger and others.  
It says:

"In a recent statement, accounts  
of the dispensary agency and the  
prohibition enforcement department  
by the state examiner and inspector,  
Hon. Charles Taylor, the public press  
has seen fit to construe such report  
as reflecting on the several officers  
who had connection direct or indi-  
rect therewith, namely Mr. Lozier,  
former superintendent; Attorney Gen-  
eral West and State Enforcement At-  
torney Caldwell; also that the dis-  
pensary business and prohibition en-  
forcement were extremely expensive  
to the taxpayers of the State, etc.

### So People May Know.

"Believing that the people of the  
State are entitled to a better under-  
standing of the facts than some of  
the press seem disposed to give their  
readers, and that prohibition and its  
methods of enforcement can best  
be passed upon by those who favor  
prohibition and wish it success, I  
therefore ask you above named gen-  
tlemen to assemble at the capital on  
next Thursday, July 1, and make such  
complete investigation of Mr. Taylor's  
report and of everything connected  
with the dispensary and the law en-  
forcement work, all receipts and ex-  
penditures of money, stock and ev-  
ery other thing connected therewith,  
as will qualify you to speak with  
full knowledge and thereupon sub-  
mit your report in writing for the  
information of the public in gen-  
eral, as well as myself officially."

Following the request of Attorney  
General West made yesterday, that  
his connection with enforcement mat-

ters be investigated by Associate Jus-  
tice Williams of the Supreme Court,  
Gov. Haskell and State Inspector Tay-  
lor, asserting that vouchers and item-  
ized statements were on file with  
the state auditor, the governor and  
the associate justice were in con-  
ference in the former's office this  
morning with Assistant Attorney Gen-  
eral Moore representing his chief.  
West Has Receipts.

Mr. Taylor failed to appear. No  
statement was made as to procedure,  
but Mr. Moore called at the audi-  
tor's office and secured a certified  
statement from Carl L. Rice, assis-  
tant auditor, to the effect that for  
several months there have been in  
his office original receipts to Charles  
West, Attorney General, from persons  
signing the same aggregating \$3,756.16.  
It is plain, the assistant auditor  
says, that the money receipted for  
was expended for services and ex-  
penses in enforcement of the probi-  
tution law. The Auditing department  
did not consider the papers filed  
officially or in the nature of official  
records, because it is the universal  
custom of that department to associ-  
ate receipts only with vouchers for  
money.

It appears that under a legal opi-  
nion, money for enforcement had been  
drawn in lump sums, and dispensed  
by the official directing the enforce-  
ment. In such instances, Attorney  
General West says, the governor gave  
his approval. The amount shown in  
Inspector Taylor's report alleged to  
have been used by Attorney General  
West is \$3,502.92, but the discrepancy  
in the two sums, it is said, is  
due to several other checks not list-  
ed in the first given amount. Attor-  
ney Moore, Assistant Auditor Rice  
and Charles Alexander, deputy exam-  
iner and inspector, who made the dis-  
pensary report, will check the  
amounts for a balance tomorrow. In  
examining the Auditor's office in con-  
nection with the dispensary examina-  
tion, the state inspector says that  
the receipts touching the Attorney  
General's expenditures, not being of-  
ficially filed, were not taken into  
account.

Practically all of the amount was  
used for detectives and special  
agents' expenses and salary as  
shown by the receipts, which are  
itemized.

### Taft and Whiskey.

Washington, D. C., June 29.—In the  
sweltering heat of the cabinet room,  
filled with expert whistmen and  
lawyers, President Taft labored again  
today with the question "What is  
whisky."

"Straight whisky" representatives  
had their inning at the hearing to-  
day. While they agreed with Solicit-  
or General Bowers that neutral spir-  
its is not whisky, they directed their  
principal arguments against his con-  
clusion that neutral spirits mixed  
with whisky may still be sold under  
the pure food law as whiskey. They  
maintained that such is imitation  
whiskey.

## TREASURY SECRETARY CALLS FOR FUNDS

NATIONAL DEPOSITORIES ASKED  
FOR \$25,000,000 IN NEAR  
FUTURE.

This Will Come in Two Installments  
and Will Wipe Out Government  
Deposits.

(Washington, June 29.—A call on  
national depository banks for a re-  
turn to the treasury of government  
funds aggregating approximately \$25,-  
000,000 was made today by the sec-  
retary of the treasury McVeagh. Of  
this amount \$9,000,000 has been call-  
ed for July 15 and \$16,000,000 for  
August 15. Balances in all active de-  
positories are uniformly reduced to  
the lowest amount which the daily  
needs of the government will per-  
mit.

This call will practically wipe out  
all of the deposits of government  
funds in National banks subject to  
check by the treasury, except about  
\$73,000,000 which is held in active  
account and necessary to meet checks  
of government disbursing officers and  
\$1,000,000 which will be allowed to  
remain in \$17,000 lots in such of the  
1,000 smaller National banks as desire  
to retain their designation as Na-  
tional bank depositories.

The working balance today is more  
than \$43,000,000 which will be in-  
creased by the call to approximately  
\$66,000,000. The low state of the  
government working balance made  
its strengthening a necessity, and  
thus augmented the Treasury Depart-  
ment will have ample funds for at  
least some months.

It is expected, however, that be-  
fore the coming December, an addi-  
tional issue of Panama bonds or the  
further issue of treasury receipts of  
indebtedness will be found neces-  
sary.

### PROF. BRILES TO ADA.

Prof. E. S. Monroe Succeeds Him at  
Muskogee.

Charles W. Briles, for several years  
city superintendent of Muskogee  
schools left today for Ada, Okla.,  
where he will assume his duties as  
president of the East Central State  
Normal school, and Prof. E. S. Mon-  
roe, of Franklin, Ind., his successor  
has taken charge of the Muskogee  
schools.

During Mr. Briles' tenure of office  
the Muskogee schools have made  
wonderful progress, and the outgo-  
ing superintendent has the best wishes  
of every good citizen of Muskogee.

"I do not leave Muskogee without  
some regrets," said Mr. Briles. "It  
is the best town in Oklahoma, and  
it is only because of my new place  
being in the nature of a promotion  
that I am leaving." Mr. Briles' fam-  
ily accompanied him.

Prof. Monroe has already embodied  
the Muskogee spirit and is an 18  
karat booster. "As soon as I get  
settled I am going to buy a home  
here he declared. I think the city  
has a great future." Prof. Monroe  
praised Mr. Briles' work here. "The  
office is in first class condition and  
so systematized that it makes my  
work easy to begin."

### CHARLIE PARISH COMES TO ADA

Former Roff Furniture Merchant and  
Generally Popular Citizen Comes  
to Ada and Goes With the  
Texas Department Store.

Charlie Parish, favorably known  
citizen of a large section of country  
in which the city of Roff is the trade  
center and wherein he was known as  
a rustling furniture merchant and  
general community booster for sev-  
eral years has located in Ada, where  
he has accepted the position of  
manager of the furniture department  
of Buck Wall's Texas Department  
Store.

Mr. Parish through the benefit  
of his wit and personality and as well  
engaging enthusiasm in the promo-  
tion of the success of the business of  
the Texas store will probably dupli-  
cate the success with which he  
handled the furniture business at  
Roff.

### NATIONAL PRISON CONGRESS.

Miss Barnard Is Asked to Name Rep-  
resentatives From Oklahoma.

Guthrie, June 29.—Miss Kate Bar-  
nard, commissioner of charities and  
corrections, has been requested by  
the executive committee of the in-  
ternational prison congress to name  
several of our most representative  
citizens to be members of the gen-  
eral committee of the national con-  
gress which meets in Washington, D.  
C. in 1910. She was also notified that  
she had been appointed as a mem-  
ber of the general committee and  
that she would be the only woman  
represented on the committee. Miss  
Barnard has named the following to  
serve with her on the committee: Dr.  
J. Grant Evans, president of the state  
university; Hon. Chas. West, attorney  
general; Hon. J. P. Connors, pres-  
ident board of agriculture; Hon. Lee  
Crane, president board of university  
regents; Hon. Roy Stafford, editor  
of the Oklahoman; Hon. Frank M.  
Colville, of Mustang, senator from  
the 11th senatorial district; Hon. W.  
N. Redwine of McAlester, senator  
from the 25th district; Prof. Jerome  
Dowd of Norman; Dr. J. H. Stolper  
of Krebs; Dr. J. W. Duke of Guthrie;  
Hon. E. D. Cameron, state superin-  
tendent of public instruction; Hon. S.  
C. Heyman of Oklahoma City.

### Chandler's Leon Ling.

Chandler, June 29.—Complete de-  
scriptions of Leon Ling, the New  
York Chinaman wanted for the murder  
of Elsie Rigel, were received to-  
day by Sheriff Lou Martin of this  
city and tallies well with the young  
Chinaman being held here as a sus-  
pect.

The weight, height, build, age and  
general appearance fits the descrip-  
tion of the prisoner and Sheriff Mar-  
tin is firm in his belief that he has  
the proper man. The pictures sent to  
New York have not yet been heard  
from, but if nothing is heard Wed-  
nesday from them, they will be  
traced. No picture has been furnished  
the press by the sheriff and he  
stated last night that if any has ap-  
peared of his prisoner they are fakes.  
The young man here refuses to  
talk and holds to his original state-  
ment that he will be released when  
word is received from New York.

### W. C. T. U. Meeting.

The W. C. T. U. will meet Thursday  
at 4 o'clock in the First Methodist  
church. All members are earnestly  
requested to be present, for there are  
encouraging items of interest for this  
meeting.

### TALK CONFEDERATION

Lawton Invites Fifty Neighboring  
Towns.

Secretary L. P. Arnold of the Law-  
ton chamber of commerce has issued  
invitations for representatives of more  
than fifty cities and towns in south-  
western Oklahoma to meet in Law-  
ton Wednesday, July 14. The invita-  
tion announces that the Lawton cham-  
ber of commerce will entertain the  
delegates.

The purpose of the call is to or-  
ganize a district federation of com-  
mercial and industrial organizations  
of southwestern Oklahoma, through  
the efforts of which a southwestern  
publicity bureau can be maintained to  
advertise the district comprised in  
the federation, and a united effort can  
be put forth for inducing new rail-  
roads and new industries of all kinds  
to enter the cities represented.

This action is in line with a deci-  
sion reached as to the needs of such  
an association after a conference be-  
tween representatives of several  
southwestern Oklahoma cities held in  
Mangum at the time of the meeting  
of commercial clubs of northwest  
Texas and southwestern Oklahoma.

It is felt that the interests of south-  
western Oklahoma cities are closely al-  
lied and would be greatly augmented  
along all industrial lines were a fed-  
eration organized. A number of cit-  
ies included in the new district have  
already signified their willingness to  
join. The district proposed comprises  
the counties of Grady, Stephens, Jef-  
ferson, Comanche, Caddo, Washita,  
Kloma, Tillman, Jackson, Harmon,  
Greer, Beckham, and the south half  
of Roger Mills, all of the district, with  
the single exception of Caddo county  
being in the western half of the fifth  
congressional district.

### After Soft Drinks.

Muskogee, Okla., June 29.—The  
moral element of Muskogee has at-  
tacked the sale of alleged soft drinks,  
which are in reality beer, or used as  
a blind for the real article. They have  
started a crusade among property  
owners to prevent the issuance of a  
city license to operate such places.

A number of owners of buildings  
have agreed to hold up rentals to per-  
sons for the alleged soft drink peo-  
ple. The city officials are also clos-  
ing in on these places, declaring them  
a nuisance wherever possible.

### For Counterfeiting.

Linton Stevens, colored, was ar-  
rested yesterday for passing counter-  
feit money. He was arraigned before  
Justice Brown this morning and com-  
mitted to jail. His trial will come up  
Friday.

### RELIEF IN SIGHT.

Weather Bureau Promises Relief from  
Excessive Heat of Past Week.

Washington, D. C., June 29.—Ac-  
cording to the weather bureau, re-  
lief from the intense heat that has  
prevailed over the country for the  
past week, is in sight.

It is announced that it will be  
cooler in the middle Atlantic states  
tonight and Wednesday and a gen-  
eral change to cooler is in pro-  
gress in the northeastern states, the  
lake region and the northwest, but  
in the middle west and the south-  
west, the temperature continues high.

### In Police Court.

Nickel Billy, who was brought in  
from Holdenville by Chief Culver last  
evening, was tried in police court  
this morning for his misbehavior in  
black bottom Sunday afternoon and  
was fined \$23.25. Not having the  
funds to pay the fine he was placed  
in the city jail and will be required  
to work out the amount of the fine  
on the streets.

#### JEFF DAVIS OPENS BATTERIES.

Arkansas Senator Puts on War Paint  
and Goes After Aldrich and  
Followers.

Washington, D. C., June 29.—That  
the "malignant" tariff bill and all of  
its enormous burdens is being im-  
posed on the American people by  
Senator Aldrich, who represents the  
will of but 14 per cent of the people  
of the little state of Rhode Island,  
is the opinion of Senator Jeff Davis  
of Arkansas.

Davis put on his war paint last  
Saturday, took a hitch in his trou-  
sers and proceeded to read one of  
the greatest lambastings of Senator  
Aldrich, that gentleman has received  
since congress started in to re-  
vise the tariff—upward.

The Arkansas senator poured a few  
shots into Senators Aldrich, Smoot,  
Beveridge, Scott and others, which

were more torrid than the day itself.  
The Hon. Jeff must have had his  
thoughts on the people in the hills  
of his native state for he dwelt much  
on "fiddles" calico dresses, breakfast  
bacon and pnccheon floors.  
Senator Davis trained his guns,  
not only on the tariff but the trusts,  
pools, combinations, corporations and  
malefactors of great wealth.  
In the course of his remarks he  
declared that the majority of white  
voters in the United States were de-  
mocrats and that if it were not for the  
negroes controlling the balance of  
power in states like Indiana, that  
this country would be basking in the  
benign benefits of free trade and de-  
mocracy.

He paid a glowing tribute to W.  
J. Bryan but said he hoped the  
Nebraskan would not insist on com-  
ing to the senate where he would  
be bound and gaged by the Aldrichs,  
the Smoots, the Fries and where he  
would have to submit to the relent-  
less republican majority.

Senator Hale of Maine endeavored  
to side-track Davis at the com-  
mencement of his address but the  
Arkansas man refused to take the  
siding and went full tilt down the  
main line.

#### NOTICE GIVEN OF APPEAL.

Holding of Secretary of State In-  
volves Expressed Desire to Get  
Vote by People on Election  
Law.

Guthrie, Ok., June 29.—Secretary of  
State Cross sustained the protest of  
local democrats against the referen-  
dum petition of the republican state  
committee upon the Taylor election  
law, enacted by the last legislature.  
Secretary Cross held that no proper  
petition had been legally presented to  
him Judge John H. Burford, rep-  
resenting the republican state com-  
mittee, gave notice of appeal to the  
supreme court Under the law such

matters were covered over any other.  
The secretary held it was essen-  
tial to the validity of filing the peti-  
tions that one of the petitions with  
the governor should appear in his  
office and present the petition for  
filing, and when this was done, and  
the other requirements performed, it  
was then the duty of the secretary to  
accept the petitions and take such  
other steps as directed by the Mur-  
ray initiative and referendum act.  
The republican committee asserts  
that it filed 28,000 names on May 28,  
and 3,000 additional on June 10, and  
that it holds receipts from the sec-  
retary of state showing a filing to have  
been made.

Secretary Cross also gave it as  
his opinion that the Taylor elec-  
tion law carried into effect the initia-  
tive and referendum provisions of the  
constitution, hence was effective when  
approved by the governor.

The Democrats were represented by  
Joe Wisby of Guthrie, J. F. Curran  
of Enid and J. B. A. Robinson of  
Chandler.

#### First National Route Upward.

The First National Bank of Ada  
in common with many leading banks  
throughout Oklahoma during this mid-  
summer season continues to grow in  
deposits. The published statement of  
the condition of the First National in  
this paper tells the truthful story of  
a prosperous institution. There is a  
deposit of around \$173,000 and a cash  
in hand and sight of around \$70,000.  
Each succeeding call statement shows  
the route taken by the bank of  
which Mr. M. D. Timberlake is cashier  
and the same is uniformly upward.

#### FORT SILL CONTRACTS.

Contracts Were Let for Fifty-four  
New Buildings.

Fort Sill, Okla., June 29.—Contracts  
was signed this afternoon between  
Major Frank B. Cheatham, quar-  
termaster from Washington and W. W.  
Luyster of the firm of Luyster &  
Lowe, Dayton, Ohio, for the construc-  
tion of fifty-four new buildings at  
Fort Sill at a cost of \$750,000. The  
plumbing contract was awarded the  
Newport Company, of Newport News,  
for \$47,000; the heating contract goes  
to Evans Elmira Co., Chicago, \$100,-  
000.

A power house, to cost \$100,000,  
will be contracted for, making the  
total expenditure \$1,000,000. It was  
believed that \$650,000 was all that  
was available for Ft. Sill, but Major  
Cheatham announced today that with  
funds appropriated for other posts  
not needed, which could be transfer-  
red, \$1,500,000 is available for im-  
mediate use.

Work will begin in thirty days  
and the new buildings will be con-  
structed three-fourths of a mile west  
of the old post. A park way and  
boulevard will connect the two posts  
and later a third station will be con-  
structed further west. Ft. Sill will be  
made a brigade or division post, the  
largest inland post in the United  
States.

### Ada National Always Good.

The old Ada National bank when the comptroller of the currency called for a statement of condition of business on the 23d inst. came farward in the same old good way as has always been its custom throughout the several years of its substantial operation.

This bank's published statement shows that amount of cash in bank vaults and sight deposits from the people and all round condition that evidences much responsibility.

## Methodists Will Celebrate.

There will be at the First Methodist church on next Sunday night a genuine Fourth of July celebration. The Layman's Club of the church has arranged an attractive patriotic program upon which will appear the names of some of the best speakers of this part of the state. Hon. D. H. Linebaugh of Atoka and Hon. E. W. Emmanuol of Sulphur will each have addresses on interesting subjects. It will pay you to take part in a real celebration such as this will be. A special musical program will be a feature of the exercises.

### BIG CONTRACT TO LET.

Details of Structure for Addition to the McAlester Penitentiary.

The state board of public affairs is expected to award the \$300,000 contract for the penitentiary building and wall at McAlester to Lavton & Smith Oklahoma City architects

This concern has prepared plans which were submitted and practically accepted by the board of prison control before the board of affairs took charge of the penitentiary and the last board has been negotiating for some time with for the purchase of the plans as made

Both the wall and building as planned at McAlester will be interesting both as structures and as showing the extreme care necessary in handling a large number of convicts

The wall will enclose a square over 600 feet to the side making the stockade nearly 2500 feet around The wall will be an average 19 feet high of reinforced concrete faced with granite At every 24 feet will stand huge concrete piers 4 feet square and 20 feet high They will be slotted on the sides with 10x10 inch slots to receive the edges of slabs of concrete two feet thick 24 feet high and 24 feet long These slabs of concrete made over a 5.5 inch Bessemer steel rods crossing each other every 12 inches will form the wall the piers being the connecting links

Within the wall will stand the administration building whose outside wall will be the wall of the stockade also further towards the center of the stockade and with one side joining the administration building will stand the rotunda a huge and massive circular and radiating from the rotunda like so many spokes of a wagon with run rows of cells all being so arranged that the door of every cell of the 1200 convicts can be commanded by one rifleman stationed in the hublike rotunda

### Splendid School Man.
